## Small Business Banking

Meeting The Demands of Today's SMB

Secure access across multiple channels, accounts and currency – all with easy customer onboarding.

- Manage accounts, transfer money, find ATMs and branches, deposit checks and approve transactions from anywhere
- Centralized access for your personal and business accounts
- Create and manage multiple business users and entitlements
- Self-service activities and virtual agents (Chat Bot) plus biometric authentication (facial, fingerprint)

**The Kony Digital Banking Platform is purpose-built to deliver engaging, seamless customer experiences across channels and services.**

Easily customize and extend digital banking applications

Actionable intelligence from real-time analytics, machine learning & predictive modeling

Digital efficiency with Common Administration, Security, Deployment and DevOps Services

**The future of banking is here. Find out if you're ready at [dbx.kony.com](https://dbx.kony.com).**
