

kony DBX Onboarding

Onboard in Minutes

Users expect a fast, seamless digital banking experience across all their devices – especially when it comes to setting up a new account.

Kony DBX Onboarding enables banks and credit unions to onboard new customers quickly with a seamless process across multiple channels.

- Begin on one channel and finish on another
- Built-in analytics and insights
- Fully integrated with Kony DBX or as a standalone application
- Consistent user experience across apps

The Kony Digital Banking Platform is purpose-built to deliver engaging, seamless customer experiences across channels and services.

Easily customize and extend digital banking applications

Actionable intelligence from real-time analytics, machine learning & predictive modeling

Digital efficiency with Common Administration, Security, Deployment and DevOps Services

The future of banking is here. Find out if you're ready at dbx.kony.com.
